MICHAEL F. EASLEY
GOVERNOR

WELCOME

It is my privilege to welcome you to the North Carolina State Fair,
October 18-27, 2002.

Thousands of fair enthusiasts, of all ages, come to the State Fair each year to celebrate North Carolina's agricultural heritage. They have been doing so since 1853, and this year will be no exception. The year 2002 is particularly special because it marks the 50th anniversary of the venerable and much-loved Dorton Arena.

Some people come to the State Fair to see the latest developments in agricultural technology. Still others bring their finest offerings in hopes of winning livestock shows, crafts and cooking contests. The young and "young at heart" try their luck at the midway games and test their nerves on the thrilling rides. Everyone enjoys the outstanding food.

Whatever the reason, we gather at the Fairgrounds for ten full days of fun and excitement. To the exhibitors, collectors and performers whose contributions to our State Fair will be enjoyed by thousands, I thank you. To our visitors from other States and Nations, I extend a warm welcome and invite you to visit with us often. To one and all, I invite you to enjoy everything that is great about the North Carolina State Fair.

With kindest regards, I remain

Very truly yours,

Michael F. Easley

Dear Fair Friends,

Each year we have the chance to be a part of the biggest event to showcase North Carolina, our terrific N.C. State Fair. You can show your support by attending, and your talent by entering one of the thousands of areas of competition that make our State Fair great.

The following pages list all the categories of competitive events, and I know you or a family member have expertise that may win a blue ribbon, and a chance to shine, in one or more of these areas.

Think how proud you'll be to see that ribbon hanging from your entry as over 800,000 fairgoers pass through the gates annually, and you count your share of more than \$500,000 offered in prize money.

The State Fair is a great place for family outings and gatherings, and I encourage each of you to enter your best craft, cooking, artwork, livestock and talent, and then bring the family to see you compete. There are categories for adults and juniors, so opportunities exist for all ages to compete.

See you at the Fair!

Sincerely,

Dear Friends,

I would like to extend a personal invitation to you and your family and friends to the 2002 N.C. State Fair. This year's Fair will include all of your old favorites including petting zoos, first class exhibits and delicious fair food.

This year's Fair will feature a new midway provider with new carnival rides for the whole family. The midway will have an expanded kiddie land and more seating for parents waiting for their children. As always, safety remains the number one concern of the State Fair. We can assure you and your family that all rides at the N.C. State Fair will undergo stringent daily inspections.

This year marks the 50th anniversary of Dorton Arena. To honor Dorton Arena and its contribution to the Fair, we will have a celebration Friday, Oct. 18 in Dorton Arena. Look for more information on the Web site, www.ncstatefair.org, or a daily schedule.

In addition, this year's Fair features a special contest honoring Dorton Arena. Residents are invited to show their creative skills in building scale models of Dorton Arena. More information on this contest can be found in the premium book. Winners will be displayed in the newly renovated North Lobby of Dorton Arena.

I look forward to seeing you and your family at the 2002 N.C. State Fair. Come enjoy the fun!

Sincerely,

NORTH CAROLINA STATE FAIR HISTORY

The first State Fair was founded in October, 1853 by the State Agricultural Society. One of the earliest resolutions approved was that the Society sponsor a cattle show and an exhibition of domestic manufacturers. It was planned to offer premiums to farmers who developed better practices for crop improvement, or designed and built more effective implements. Immediately plans were underway toward the first State Fair to spread constructive agricultural information.

The site for the first fair was a 16-acre tract about 10 blocks east of the Capitol in Raleigh. In the *Raleigh Register*, the city's weekly newspaper, a week before the big event "... the entrance fee at the gate will be 25 cents for a single person, and \$1 for a carriage; and 50 cents for a buggy." The City of Raleigh contributed \$25.00 toward the fair and receipts amounted to \$3,000. Estimated attendance was four to six thousand. It was highly successful. An editorial appearing in the *Raleigh Register* Sunday morning October 22, 1853, allowed that:

"Nearly every section of the State, and every industrial pursuit within its borders, were represented. The East sent its fine staples and its blooded stock, the West its splendid cattle and its rich minerals. The farmer poured in his agricultural products, the mechanic brought forward splendid specimens of his skill, the native artist exhibited the productions of his pen or his pencil, and the ladies of the State, never behind in any good work or beneficent object crowned the excellence of the whole with the multiplied beauties which nature had yielded to their culture, and the varied and tasteful attractions which had sprung their handicraft."

The fair was moved in 1873 to what was then described as a "55 acre broom sage field comprising an eminence known as 'Cook's Hill on Hillsboro Road some 300 yards from the N.C. and Augusta Air Line Railroad, one and one-quarter miles west of the city limits of Raleigh." This is now a residential and business district across from the campus of N.C. State University. The Raleigh Little Theatre now occupies the site.

The Agricultural Society developed these grounds at a cost of more than \$50,000. The buildings consisted of a three-story octagon-shaped exhibit hall, 250 feet long and 44 feet deep. There were two wings designed as Farmers and Mechanics Halls. A 200 x 44 foot shed housed the machinery display and a three-story grandstand, judges' stand and one-half mile of railroad tracks completed the permanent structures. The offices and dressing rooms were on the first floor of the grandstand. The second deck was the spectators' area, and the third floor was called "Tete-a-Tete Hall" where one could enjoy a chair and privacy for an extra 25 cents.

By 1895 the Agricultural Society's show and exhibition had become the main annual event among rural Tar Heels.

Politics and reunions were a big part of the fair in 1903. Confederate veterans gathered at the fair and reminisced the big battles and hard times of '65 and '66.

President Theodore Roosevelt spoke to fairgoers in 1905 and was followed in 1907 by William Jennings Bryan. Speech-making was another major attraction of early fairs. Bryan, the famed "silver-tongued" orator, had already delivered his famous cross of gold speech and lost two elections. His address to North Carolinians undoubtedly was part of his third unsuccessful race for the presidency.

The Agricultural Society conducted the State Fair for 73 years. It was discontinued from 1860 through 1866 during the Civil War and Reconstruction period, and in 1918 during World War I and influenza epidemic. The fair yielded in 1884 to a month long "North Carolina Exposition" held on the fairgrounds.

In 1924 the society requested aid from the state and City of Raleigh. The first State Fair Board was appointed by Governor McLean in 1925 with representatives from the State, City and Agricultural Society. After this, the society disbanded. There was no State Fair in 1926 and 1927. The late Governor J. Melville Broughton succeeded in convincing the Legislature to designate 200 acres of land to the State Fair.

Thus, the State Fair moved in 1928 to its present site with additional land granted in 1952 .

The State Fair was placed under the auspices of the Department of Agriculture in 1930. The various committees continued to operate the fair until 1933 when the Board of Agriculture leased the fair to George Hamid for operation on a commercial basis.

The late Governor W. Kerr Scott returned the State Fair to the management of the Department of Agriculture in 1937 when he took office as Commissioner of Agriculture. That year in excess of \$12,000 was paid out in educational exhibitor premiums, and by 1948 this figure had reached more than \$70,000. Currently the figure exceeds \$240,000.

Dr. J.S. Dorton of Shelby was appointed manager of the new State Fair, Division of the Department of Agriculture, in 1937. Immediately the fair was no longer a burden and showed a profit of over \$8,000. The profits have increased yearly and have been turned back into improvements for buildings and grounds.

It was in 1948 when entertainment became a big part of the State Fair. James E. Strates Shows has been a regular feature since that time and during this same year Bascom Lamar Lunsford brought the first Folk Festival, a feature that is still going strong.

The N.C. General Assembly approved funds in the late 40's for construction of a year-round facility to serve agriculture, industry, commerce and the general welfare of the state. This center for educational, inspirational and recreational events was completed in 1952 and named the J.S. Dorton Arena. The arena's unique architectural design won it acclaim as one of the significant structures of recent times.

Dr. Dorton died in 1961 and state Agriculture Commissioner L.Y. Ballentine assumed his duties until his death in 1964. It was in 1961 that the fair operated six days for the first time. Robert W. Shoffner, an assistant manager of the fair from 1947 to 1960 was appointed by James A. Graham to complete production of the '64 fair. Arthur K. Pitzer was named permanent manager in January, 1965 by Commissioner Graham. In 1968 the Board of Agriculture approved extending the fair's length to nine days beginning in 1969. This set the stage for the 1970's, which was to be a decade of significant growth.

Four new structures were completed: The Gov. W. Kerr Scott Building (1972); Gov. James E. Holshouser, Jr. Building (1974); Jim Graham Building (1975); Forestry Resources Center (1976); and Gov. James B. Hunt, Jr. Horse Complex (1983). An ambitious grounds improvement program of landscaping, paving, curbing and guttering was implemented. Work was also begun on Heritage Circle, an area near the fairgrounds lake set aside to highlight cultural history of the state. One of the first Heritage Circle projects was an authentic 18th century school house donated in 1975. The 1978 North Carolina Legislature authorized funds used by the fair to purchase an additional 144 acres of land adjacent to the grounds. The acquisition brought the fairgrounds to 344 total acres.

A program of popular special exhibits was inaugurated. In 1972 the fair sponsored the world's largest space-related educational exhibit which was viewed by an estimated 250,000 people. A series of exhibits highlighting different N.C. field commodities each year stirred new interest and pride in the state's agricultural tradition, particularly among the non-farming public. Several programs motivated in part by economic concerns of fairgoers were also initiated. In 1970 senior citizens were admitted to the fair free of charge. The same year the Century Farm Families program was launched. In 1974 a package of free indoor entertainment by major performers was first offered and quickly became one of the Fair's most popular and

successful features. A year later a program was initiated offering advance discounts for ride costs and gate admission.

Efforts to speak to the wishes of the fairgoers paid off handsomely at the gate. Attendance averaged 570,000 in the 1970's, 670,000 in the 1980's, 700,000 in the 1990's, and peaked at 846,724 in 2000. President Gerald R. Ford in 1976 and President George Herbert Walker Bush in 1992 campaigned at the Fair, addressing fair patrons on both occasions.

In 1983, Sam G. Rand was named fair manager succeeding Art Pitzer who retired. A new horse facility (Gov. James B. Hunt, Jr. Horse Complex) was opened, housing up to 500 head of horses.

During the years 1984-1993, the following improvements were made: new restroom facilities at Gate 8 and at the Grandstand; underground electrical distribution system installed; new handicapped restrooms in Dorton Arena; new roofs on Scott Building, Graham Building, Dorton Arena, Holshouser Building, and Education & Commercial Buildings; new roof and seats in Grandstand; remodeled Hobby & Crafts Building; paved midway area and other parking lots; new outdoor public address system; additions to storm drainage system; landscaping around Scott Building, Holshouser Building, and Education & Commercial Buildings; new box seats in Hunt Horse Complex and new offices and restaurant addition to Hunt Horse Complex. Renovation of Sam G. Rand Grandstand racetrack to include harness racing; and demolished Industrial and Poultry Buildings.

On September 14, 1996, President William J. Clinton visited the fairgrounds to address the National Guard, Federal Emergency Management Agency, and Department of Transportation workers who were using the fairgrounds as an emergency staging area to clean up the disaster caused by Hurricane Fran.

In 1997, Wesley V. Wyatt was named Fair Manager following the death of Sam Rand.

The fair celebrated the 50th anniversary of the Folk Festival in 1998, and invited back many of the winners of the Bascom Lamar Lunsford Trophy for encore performances at the Folk Festival. The Strates Shows celebrated their 50th anniversary at the N.C. State Fair.

Attendance, almost perfect weather, and special celebrations made 2000 a record year for the N.C. State Fair. The State Fair posted record attendance with 846,724 attendees passing through the gates during the 10-day period. More than 2.3 million visitors attended 369 events at the fairgrounds during the year. The State Fairgrounds operates on a year-round basis and are enterprise funded, receiving no appropriated monies except for large capital improvements. There are 50 permanent employees.

\$1.5 million dollars in renovations and improvements to the Education & Commercial Buildings were completed in early 1999. Additional renovations were made at the L.R. Harrill Center dining hall and dormitories. A paving project covered many of the dirt roads between the barns at the Hunt Horse Complex, and restrooms in those stall buildings were renovated as well. Major renovations were done to the Graham Building and improvements to the Hunt Horse Complex took place in 1999 and 2000. A program of grounds improvements to the Flower Show area, Grist Mill and paving a 250 car handicapped parking lot took place at that time as well.

A landmark for past generations of fair visitors, the Helen Ida Kirk Graham Waterfall, was dedicated on October 14, 1999.

Commissioner Jim Graham retired at the expiration of his term in January 2001. Meg Scott Phipps was sworn in as the 13th Commissioner of Agriculture since 1877. The Department of Agriculture was formed by the General Assembly of 1876-1877.

The management will not accept or knowingly allow the continuance of any concession, show or other attractions of a questionable nature or a demoralizing tendency nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

ENTRIES

MAKE ALL ENTRIES EARLY!!! The right is reserved to reject any entry and all entries received after all space is taken must be rejected.

You will find the **CLOSING DATES FOR ENTRIES** set out in the Rules and Regulations and the general headings of each of the various departments. These dates **VARY WITH THE SPECIAL REQUIREMENTS OF THE SPECIFIC DEPARTMENT.**

Check these Closing Dates carefully.

SEPARATE ENTRY BLANKS are required for entries in each of the departments. Request the Entry Department supply you with an adequate number of entry blanks.

Competition is OPEN TO THE WORLD in the Flower and Garden Show, Folk Festival, Rabbit Department, Poultry Department, Goats, Dairy Cattle Department, Beef Cattle Breeding Animal Department, in the Swine and Sheep Departments and the Horse Show.

In all other divisions and departments competition is LIMITED TO RESIDENTS OF NORTH CAROLINA.

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer, or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms or copies of this form MUST BE USED in making applications for entry.

One can be found in the back of the book. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. *Be sure to fill out the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code, telephone number and social security number.*

Additional application forms are available upon request to: N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibition space until proper entry has been made. No entry will be accepted after the closing date listed for each department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent, or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY SUPERINTENDENT." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens, other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEAD-NOTES OF THESE DEPARTMENTS FOR SCALE OR FEES.) SEE DEPT. H, Arts and Photography head-notes for entry fees in the professional and amateur categories.

Application forms for entry should be mailed to: N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. Effective Wednesday, October 3, 2001 the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from Wednesday, October 3, 2001–Friday, November 2, 2001, 8 a.m.-5 p.m.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED but will be available, at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director who will allocate space and either personally arrange the exhibit in a suitable and attractive display or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However exhibits may be shipped or mailed to: N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed MUST BE PREPAID. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before

the Fair free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Superintendent of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager of the State Fair immediately after such action is taken. **UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER.**

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sublet without permission of the Fair manager.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The protest must be filed no later than 3 days following the award. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individual worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and exhibitor guilty of such violation will be excluded from further participation in the Fair and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE SUPERINTENDENT OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 2002 after which time the books of the 2002 Fair are closed.

The following colors of ribbons will be used to designate awards:

J. S. DORTON ARENA

The J.S. Dorton Arena was built to serve agriculture, industry, commerce and the general welfare of North Carolina. Built in 1952, the building was officially named the State Fair Arena. However, it was commonly referred to by fairgoers as the

livestock pavilion or "Cow Palace". In 1953, Governor William B. Umstead referred to it as "a great tribute to the vision and foresight of not only the builders, but of all the people of North Carolina". At the opening ceremonies of the 1961 State Fair, the arena was officially dedicated as J.S. Dorton Arena, in recognition of long time State Fair Manager Dr. J.S. Dorton.

It has earned an international reputation since its construction in 1952. The late Matthew Nowicki, while head of the Department of Architecture at North Carolina State University, created the innovative design. Professor Nowicki was killed in an airplane accident shortly after being commissioned as the architect. His personal friend, William Henley Deitrick of Raleigh was named to the project.

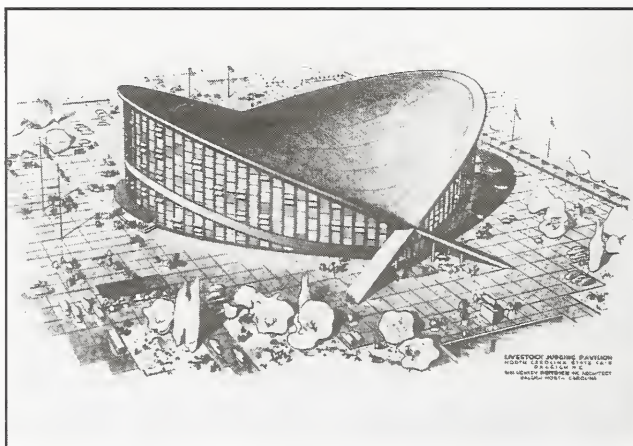

The building is 300 feet in diameter, elliptic in shape, with a central concrete floor 221 feet long and 127 feet wide at the widest point of the ellipse. There are 4,750 seats and 360 box seats. Portable seats can be installed when a stage is used. Seating capacity when used with a stage is 6,500.

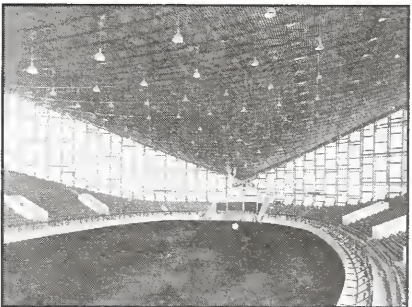

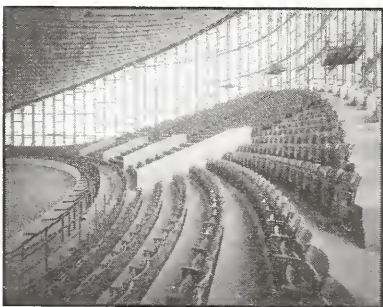

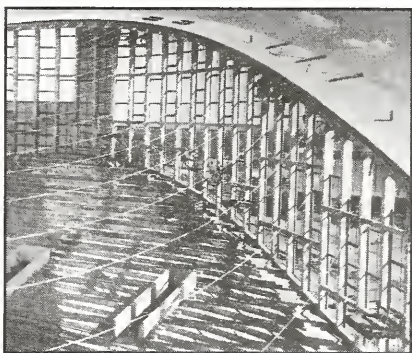

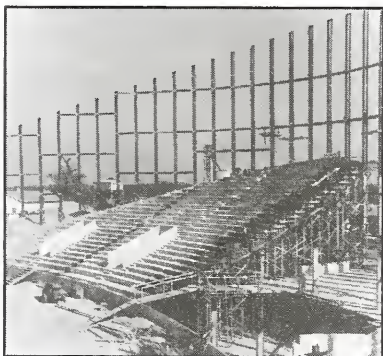

Dorton Arena boasts the World's first cable supported roof system. Dorton Arena uses arches leaning away from each other to support its weight. Cables strung between the arches hold the heavy metal roof, with the load of the roof carried down the arches.

The metal roof, suspended on a network of cables, which extend crosswise from the 90-foot parabolic arches, is saddle-shaped. The 14-foot wide arches reach a maximum height of 90 feet. They cross each other about 26 feet above the ground, then extend into a tunnel below the surface at the east and west ends. Tension cables equalize the weight of the roof, with 14 two-inch strands connecting each end of the parabola through the stress tunnel. The roof, so suspended, eliminates any necessity for structural steel supports and presents no view obstructions from any seat. The exterior walls are constructed of glare-reducing tinted glass. The two lobbies are on the ground level. These lobbies and the two lower level concourses provide about 25,000 square feet of exhibition space. Restrooms, dressing rooms and storage areas are also available.

Currently, Dorton Arena is used for nightly entertainment during the annual N.C. State Fair. Year-round use of the building includes trade shows, exhibitions, concerts, athletic events, circuses and more. In 2002, more than \$400,000 in renovations were done.

In 1972, Dorton Arena was placed on the National Historic Registry. In 2002, the building will celebrate 50 years of serving Raleigh.

INFORMATION FOR EXHIBITORS

NEW>Please notice new entry form available on page 55

To enter the show: (1) Read all rules for Department E; (2) Complete an entry form, found on page 58 of the NC State Fair Premium Book; (3) Send or bring the entry form to the Fair; and (4) Submit your entry for competition to the Flower and Garden Show. **THERE IS NO ENTRY FEE.** If you submit your completed entry form early, you will spend less time at the Fairgrounds when you bring in your entry.

Entries for Division V, Gardens, are closed for the 2002 show, since gardeners may begin cultivation as of April 1, 2002. Those who would like to participate in the Gardens competition during the 2003 State Fair Flower and Garden Show should contact the N.C. State Fair Entry Department (at the address below) by March 1, 2003. Provide your name, address, and daytime telephone number to receive information and the application form.

♦ You can MAIL your entry form: NC State Fair, 1025 Blue Ridge Blvd., Raleigh, NC 27607. Forms must be postmarked by October 1. Tags with your exhibitor number will be ready for pickup when you bring your entry.

♦ You can BRING in your entry form to the Flower House, State Fairgrounds, October 14-17. Entry clerks will be present to assist.

♦ You can BRING your entry form at the same time you bring your entry; however, your completed entry form must be submitted by 1:00 p.m. on the day of judging. Your entry will be processed, but this takes time and in most cases you will need to add plant name to complete the entry tag—particularly in classes of "any" or "other" plants unlisted.

PLEASE NOTE THAT THERE ARE SIX SEPARATE DIVISIONS. Entries for each division should be listed on a SEPARATE entry form for each division. List all cut specimens you expect to have; it is easier to delete entries that do not measure up than to enter at the last minute.

Most entries will be submitted for the First Show, including all of Divisions I and V. All of Division II is in the Second Show, and all of Division III is in the Third Show. Groups in Divisions IV and VI are included in each of the three shows. Entries in Division I, Sections 3, 4, 5, 6, and 7 must be submitted by 3:00 p.m. October 17. Entry forms are due by 1:00 p.m. on the same day.

At the time of the Fair, you must bring your entries to the Flower House on the date and by the times specified below. The Flower House is located on the west side of the

Fairgrounds. Enter Gate 6 from Youth Center Road. You will be permitted to drive into the grounds ONLY to unload entries. If requested, please show your entry form at the gate. No container-grown plants will be accepted before October 14.

At the point your "entry" is properly tagged and submitted to the Flower and Garden Show for display, it becomes an "exhibit".

All horticultural specimens must be clearly labeled with correct names. Indicate plant names and variety on the last line of entry label. Exhibits without a correct name will not be eligible for Award of Merit or Arboreal Award. Design/arrangement classes do not require such labeling.

All entries must be the work of the exhibitor.

No artificial flowers, foliage, or fruit are allowed in any class.

All plant materials in Divisions I, II, III, and IV must have been grown by the exhibitor except for those used in designs.

In design classes a minimum of dyed, painted, varnished and otherwise treated material is permitted except in classes where all fresh plant materials are required. NO background is allowed.

Each exhibitor may make only one entry in each class and no entry may be entered under more than one class. However, each exhibitor may enter as many classes as are desired. Classes may be subdivided at the discretion of the Flower Show Director.

Designs are limited to 2 units or less. A sturdy base is recommended. Designs must be completed and tagged before submission to classification as an exhibit. Exhibitors may place their designs, under supervision of a Flower Show official, but the design may be moved.

Horticultural specimens should be exhibited in containers provided by the Flower and Garden Show. Exhibitors' containers, if used, will not be returned.

Exhibits may not exceed maximum dimensions listed below for specific classes (e.g. 30" for cut flowers, 48" for Pampas grass plumes).

Exhibitors of container-grown plants must provide a saucer to retain moisture. Plant and container may not exceed 48" in height or 36" in width. Hanging and mounted plants are permitted in Groups 1 and 4, but NOT in any other Section 4 group except for "Pothos or Syngonium" class.

All exhibits will be under the supervision and care of the Show Director. Every effort will be made to prevent theft or damage, but the NC State Fair, the Gardeners of Wake County and the Show Director assume NO RESPONSIBILITY FOR THE LOSS OF PERSONAL PROPERTY OF THE EXHIBITORS.

Any horticultural exhibit determined by the Flower Show Director to be a hazard to other horticultural exhibits owing to obvious insect infestation will be disqualified and removed. Unsightly exhibits will be removed at the discretion of the Show Director. Dead flowers will be discarded within each show. Only designs, containers and attached ribbons may be claimed October 21 and 24. Except for cut specimens, all other exhibits must be claimed October 28 between 8:00 a.m. and 5:00 p.m.

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to Residents of North Carolina. All products exhibited in this department must have been grown in North Carolina by the person or firm in whose name the exhibit is entered.

ENTRIES CLOSE: Thursday, October 17, 2002 at noon.

EXHIBITS MUST BE IN PLACE: Thursday, October 17, 2002, at 2:00 p.m.

JUDGING STARTS: Friday, October 18, 2002, at 8:30 a.m.

RELEASE OF EXHIBITS: Monday, October 28, 8 a.m.-1:00 p.m., and **NOT BEFORE**

EXHIBITS (except apples - see Special Note below) unclaimed by 1:00 P.M., October 28 **will be considered abandoned and the fair will not be responsible for them after that time.**

SPECIAL NOTE TO APPLE GROWERS!!

Because of the extended duration of the N.C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

SPECIAL NOTE TO SWEET POTATO EXHIBITORS!!

Sweet potato entries will be sold at current market price by the N.C. State Fair, and monies will be sent to exhibitors according to the estimated poundage in their entry. Exhibitors wishing to pick up their sweet potato entries **MUST** inform the Superintendent at the time of entry, and are responsible for picking up their entries on Monday, October 28 by 2:00 p.m.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all- are repeated herewith for emphasis, and others apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to **REJECT ENTRIES** not properly entered. All entries will be judged, but not all entries will be displayed if space becomes limited. Official printed forms must be used in making application for entry.

Two will be found in the back of this book. Additional copies are available upon request. Use SEPARATE FORMS for entries in EACH CLASS - "1" Fruits and Nuts, and "2" Vegetables, of this department, and separate forms for entries in each other department of the Fair. Be sure to fill in the application form completely, accurately, and legibly. Give your rural route number, post office box number, or city street address, zip code, and social security number.

List the Department Letter "G" for Horticulture and the Class Number "1" for Fruits and Nuts, and "2" for Vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairground, an Entry Tag must be attached to each exhibit before it is presented in the Department for display. Variety names are to be written on the backs of the tags.

As far as possible, it is urged that all horticulture products be brought in and prepared for exhibit by the exhibitor. Where it is not possible, **shipments** should be made in time to reach the Fairground no later than Wednesday, October 16, and should be addressed to: Superintendent, Horticulture Department, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack, plate, box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, and the contents of the package.

The State Fair will furnish PLATES, TRAYS AND BOXES for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. *Standard size tray, 11 1/2 x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit. To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized. This list is not exclusive. The Superintendent may add or delete varieties in order to maintain the overall quality of products on display.

Variety	Diameter
Arkansas	3 to 3 1/2 inches
Braburn	2 3/4 to 3 inches
Empire	2 3/4 to 3 1/4 inches
Fuji	2 3/4 to 3 1/4 inches
Gala	2 3/4 to 3 1/4 inches
Golden Delicious	2 3/4 to 3 1/4 inches
Granny Smith	3 1/8 to 3 3/8 inches
Jonagold	2 3/4 to 3 1/2 inches
Jonathan	2 3/4 to 3 inches
Red Delicious and named bud sports	2 3/4 to 3 1/4 inches
Rome and named bud sports	3 to 3 3/4 inches
Stayman and named bud sports	3 to 3 3/8 inches
Winesap	2 3/4 to 3 inches
York and named bud sports	3 1/8 to 3 3/8 inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other

dusty packing material. **Any exhibit that rots, is unsightly or becomes unsightly** will be removed from display (after judging) at the discretion of the superintendent.

QUALITY - NOT QUANTITY

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will be awarded **MAINLY ON THE BASIS OF QUALITY**. Do not knock or shake fruit from the tree, but pick each specimen by hand. Products should be exhibited as nearly as possible in their natural state, and no preference will be given for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and placed in containers provided by the N.C. State Fair.

Entries of "Collections" and under "Any Other Variety" must be correctly named on the entry tag by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalog, except in the case of seedlings never before exhibited.

Grower's name may not be displayed on exhibit until after the judging.

AWARDS AND JUDGING

No award will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. **AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.**

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Display Booths must be reserved on or before July 1. Booths not requested by this date will be assigned by invitation. Booth space will be allocated on basis of show record of applicant if there are more applicants than available space. Booth space assignments will be made before 4:00 p.m., Wednesday, October 16, 2002. Exhibitors may begin setting up displays at 4:00 p.m. Wednesday, October 16 and must be in place for judging by 3:00 p.m. on Thursday, October 17, 2002. There will be no peddling, hawking, or selling of any kind in or around booths that is not in keeping with Fair policy.

Booths must be kept clean and neat. All items not on exhibit must be removed from exhibit area or stored in storage space under the booth. No boxes or other material shall be left on the floor behind the booths.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. Be sure to fill in the application form *completely, accurately and legibly*. Give your rural route number, post office box number, or city street address and zip code, phone number and social security number.

Any name or reference to the exhibitor (other than entry number) on any entry including the display booth must be covered prior to judging.

All honey entries are limited to honey made in North Carolina during the current season. Preference in judging will be given to those beeswax entries which were made during the current season. All honey and beeswax entered by an exhibitor must have been produced by the exhibitor. All types of honey displayed must be protected from honeybees and other insects. Cellophane, glass, or transparent material of some other suitable type is recommended for this purpose.

Live bees and queens must be displayed in escape-proof observation hives or queen cages.

Observation hives must be cared for during the week. Dead bees must be removed at intervals. Bees must be given cleansing flights or exchanged for fresh bees. Due to space limitations, observation hives may not exceed a size equivalent to three standard frames.

All exhibits must be of required color, quality, and condition in order to receive premiums and prizes. No premium will be given to any one entry through lack of competition if the entry is of inferior quality.

There is a limit of one entry per person for each listed category.

Exhibitors are urged to personally deliver their exhibits at the Fair, but if this is not possible PRE-PAID shipments of non-perishable entries will be accepted if addressed to DIRECTOR, BEES AND HONEY DEPARTMENT, N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607. Shipments should be carefully labeled and should indicate on the outside and inside of the package the Premium Number under which entered, a description of the contents of the package, and the exhibitor's name and address. Instruction for return or disposal of shipments at the end of the Fair must accompany each shipment. All entries must be delivered by 5:00 p.m., Wednesday, October 16. Foods cooked with honey must be in place for judging by 3:00 p.m., Thursday, October 17. Display booths must be set up on Thursday prior to judging time. Return shipments will be made via express with transportation charges collect unless otherwise provided for. Entries in Department I may be claimed between the hours of 10 a.m. and 12 noon, Monday, October 28. Baked and other perishable entries must be personally delivered to the Fair and will become property of the Fair and discarded if not claimed by 12:00 noon, Monday, October 28, 2002.

Comb honey and all other exhibits should be packed with care, according to parcel post or express regulations, so as to arrive in good, clean condition.

Additional entry application forms and further information regarding this department may be obtained by writing or otherwise contacting: Plant Industry Division, North Carolina Department of Agriculture, phone (919) 233-8214, or N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607.

FOODS COOKED WITH HONEY

All entries in this class must contain honey as one of the principal sweetening ingredients.

Entries must be prepared from ingredients compatible with commonly accepted recipes for the class in which they are entered. The purpose of this competition is to demonstrate skill in the use of honey in cooking. There are no other ingredient restrictions, and commercial mixes may be used.

Factors such as whether the entry is representative of the entered class and freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department "W" (Culinary) Class 2 will be used as guides in judging foods cooked with honey.

All entries in these classes shall be on cardboard or paper plate and enclosed in a clear plastic bag tied with a twistem. No entries on glass or china will be accepted for display.

The entry tag must be securely attached to the plate. Each entry must be accompanied by a recipe on a 3x5 or suitable card using only one side of the card.

Exhibitors are required to enter at least 1/3 of a cake and bread for judging.

Junior and Senior entries cannot be from the same cake. Commercial mixes are acceptable but not ranked as highly as items made from scratch. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent. Assistance may be provided to Junior participants but the entry must be primarily the effort of the entrant.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this division. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

ENTRIES

MAKE YOUR ENTRIES EARLY!! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making application for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office number, or city street address, zip code, Social Security Number or Federal ID Number, and telephone number, including area code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces or pens you will require, including those to be used for tack, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes. But it is not necessary to name the animals which will make up your group or herd until after judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bonafide owner, who must show official evidence of ownership of animal at least 30 days prior to showing. (See exceptions to this rule for group classes only in some departments.)

Each breed of livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 2003 N.C. State Fair Premium List.

FEES

Entry fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of animals you will be bringing and pay for up to two (2) additional spaces for tack and feed. Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle - per head	\$5.00
Swine - per head	\$2.00
Sheep - per head	\$2.00
Cattle (pen of 3) Feeder Calves	\$7.00
Individual feeder Calf	\$5.00
Goats per head	\$5.00
No pen fees for Junior Entries	

HEALTH REGULATIONS

All health regulations will be strictly enforced, and decisions of the regulatory veterinarian concerning animal health status are final. No animals may be unloaded on the fairgrounds before being checked and approved by the regulatory veterinarian in charge. ALL LIVESTOCK EXHIBITORS MUST HAVE HEALTH CERTIFICATES, EXCEPT CATTLE CONSIGNED TO THE MARKET STEER SHOW, AND THE REQUIRED TESTS. SEE ENTRY REQUIREMENTS FOR EACH SPECIES. A copy of the health certificate should be mailed to the State Veterinarian in North Carolina, Box 26062, Raleigh, NC 27611 at least three weeks prior to State Fair opening date.

All species must follow specific entry requirements listed under each class rules and regulations. All entries shall be inspected prior to unloading between the hours of 7:00 am and 10:00 pm. Any and all animals not meeting the entry requirements and/or exhibiting any signs of disease or illness, may be refused entry, required to be isolated and/or required to be returned to the farm of origin. Any and all animals exhibiting any signs of disease or illness or found not to have met entry requirements after entry may, likewise, be required to be isolated and/or returned to the farm of origin.

Cattle - Dairy and Beef

All cattle except those consigned to the market steer show must be accompanied by an official health certificate signed by an accredited veterinarian or an NCDA&CS or USDA veterinarian within 60 days of entry. The health certificate should contain the following:

 - B. Cattle originating from any certified brucellosis free herd, regardless of the state of origin, may enter North Carolina, provided that the following information is recorded on the official certificate.
 - (1) the individual identification of each animal;
 - (2) the herd certification number;
 - (3) the date of the last herd test; and
 - (4) a permit when otherwise required in the rule.
 - C. Cattle imported from a Class Free State shall originate from a herd not under quarantine and need not be tested.
 - D. Cattle imported from a Class A State shall originate from a herd not under quarantine and pass a negative official blood test within 60 days of entry into North Carolina.
 - E. Notwithstanding any other provisions of this Rule, a brucellosis test is not required for steers or spayed females and no test prior to entry into the state is required of:
 - (1) Cattle under eight months of age;
 - (2) Dairy heifers under 20 months of age officially vaccinated against brucellosis; and
 - (3) Heifers of the beef breed less than 24 months of age and officially vaccinated against brucellosis.

Any cattle over 6 months of age not originating from a Tuberculosis Free state shall be required to have an official tuberculosis test within 60 days of entry, unless from an accredited herd.

Qualified pseudorabies-free herd status will be accepted in lieu of the negative 30-day test if qualified herd number is recorded on health certificate.

Goats

An official health certificate signed by an accredited veterinarian or an NCDA&CS or USDA veterinarian issued within 60 days of entry must accompany all goats. Dairy goats must meet the requirements listed under class rules and regulations in addition to the requirements listed below:

4. If the sheep originate from a scabies eradication area, a statement from the veterinarian to the effect that the flock of origin is scabies-free, and the animals listed on the health certificate have been dipped under State or Federal Supervision within 10 days prior to entry to the Fair.
5. All sheep over 6 months, except those consigned to the market show, being imported from out of state must have a brucellosis and tuberculosis test within 60 days prior to entry, unless originating from an accredited, certified herd.
6. **All sheep must comply with new USDA Scrapie Eradication Program guidelines 1 888-USDA-TAG.**

OTHER ANIMALS ENTERING THE FAIRGROUNDS

Any animal of the above species entering the fairgrounds *regardless of their purpose of entry* must meet the requirements that are listed above for that species. All equidae, six months old and older, must be accompanied by an official negative test for Equine Infectious Anemia within 12 months of entering the fairgrounds. This includes equidae in pony rides, exhibits, petting zoos, and competition events.

Animals categorized as exotic in North Carolina include bison, buffalo and all other bovidae (other than domestic cattle), camelids (llama, alpaca, camel), must be accompanied by a health certificate issued within 60 days by an accredited veterinarian or an NCDA&CS or USDA veterinarian. The certificate must show individual identification. Animals from out-of-state must have negative test results for brucellosis within 30 days and tuberculosis within 60 days for all animals six months old and older. (Camelids are to be tested for tuberculosis at the axillary space). The certification statement ***"The herd of origin has had no brucellosis or tuberculosis diagnosed within the past 12 months"***, must be included on the certificate. Cervidae

(any member of the deer family) must meet the import requirements for North Carolina. Contact the State Veterinarian's office for details.

EXHIBITS AND EXHIBITORS

Only vehicles operated by the Fair management will be allowed in the barn area.

The Fair management will use diligence to ensure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits). All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals and excessive leanness, in which conditions are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. Boars over one year of age must have their tusks removed.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairground within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, including the use of steroids and other drugs, as well as lifting, dyeing or filling under the skin, will be considered fraud and deception. The North Carolina State Fair Management reserves the right to test the grand and reserve champion barrow, steer, and wether, and to conduct other random testing as deemed appropriate. The grand and reserve champions may be sampled at the fair. Exhibitors involved in any such treatment will be barred from exhibition at this Fair, and all Fairs holding membership in the International Association of Fairs and Exposition will be notified.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent of Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor, except for some Junior Exhibitors. The Fair management will not pay any charges for express, freight, or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Exhibitors are not allowed to make substitutions between breeds. One substitution may be made within the breed.

JUDGES AND AWARDS

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place

"First", "Second" and "Third". He would receive only the first and second premium monies, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in the case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Director by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the fair if the protest is not sustained by an impartial protest committee appointed by the General Livestock Director. No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his/her discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

HERDSMEN'S CONTESTS

Special prizes will be awarded in contests for herdsmen, shepherd and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required. Judges will be assigned by the Livestock Director. The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the Herdsmen's contest making their decisions.

LIVESTOCK HALL OF FAME

The Livestock Advisory Board has approved the creation of the North Carolina State Fair Livestock Hall of Fame to recognize and honor outstanding supporters of the Fair. Individuals will be inducted each year, beginning with an inaugural ceremony during the 1980 Fair, based on their activities supporting the Fair and their length of service.

Candidates for induction can be producers of livestock that have exhibited and promoted livestock shows at the fair, or a person who has served as a fair employee, representative of business, extension workers and others from agricultural organizations. Their contributions have occurred in the past as well as the present, and deceased nominees will be considered.

Pictures of the inductees will be framed and displayed in the Jim Graham Building.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some -but not all -are repeated herewith

for emphasis, and others of the following Rules and Regulations apply only to this Department.

MAKE YOUR ENTRIES EARLY!! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making application for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for making entries in other departments and separate forms for the Junior and Senior Shows. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office box number, or city street address, zip code, social security or federal ID number. Entries in Open Show must be made in the name of the owner as recorded on registration certificate.

Exhibitors are not allowed to make substitutions between breeds. Two substitutions per exhibitor may be made within a breed.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, *including those to be used for gear, feed and bedding.* No fee is required for entries exclusively in the Junior Show. Junior entries wishing to show in the open show will be required to pay stall fee in accordance with open show registration. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.*

List, also, on the application form the name and registry number of each animal entered, its date of birth, and its sex. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of show of all group classes.

All animals over six months of age must be registered with their respective breed associations in the name of the bona fide owner.

In breeding classes, to be eligible to show, all cows 36 month of age or older must have produced a calf carried to maturity within the last 12 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirements, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

FEES

Entry fees are required for all entries in the senior and open classes of the livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, **AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM.** Reservations will not be made unless accompanied by the required fee and **REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.**

Be sure to indicate on the form the total number of animals you will be bringing and pay for additional spaces for tack and feed. Include remittances for these extra stall spaces you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall space; thereafter, should additional space be available, display animals will be assigned stall space.

Mail entries, make check for stall fees payable to, and address requests for additional application forms and further information to N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

THE PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the various dairy breed associations to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, The Purebred Dairy Cattle Association believes that it is in the best interest of the breeders of registered dairy cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring. It recognizes that there are certain practices in the proper care and management of dairy cattle which are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the cataloging, handling and presentation of cattle in the show ring which are unacceptable.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered dairy cattle.

- (1) Misrepresenting the age and/or milk status of the animal for the class in which it is shown.
- (2) Treating the animal, particularly the udder, internally or externally, with an irritant or counterirritant, or other substance to artificially improve the conformation.
- (3) Surgery or insertion of foreign material under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
- (4) Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the breed or the show.
- (5) Setting teats or manipulating a teat to alter its normal position such as to unnaturally hold its plumb or to alter its length.

The following practices and procedures are considered to detract from the image of the show ring when carried to excess and will be given slight to serious discrimination in placing animals within class.

- (1) Excessive manipulation of hair.
- (2) Use of artificial hair except for false switches.
- (3) Unsportsmanlike conduct on the part of showmen.
- (4) Improper fitting practices such as over filling and over bagging.

Practices which should be encouraged to enhance the image of the show:

- (1) Establish uniform dress code for exhibitors in the show ring.
- (2) Recognize good herdsmanship and exhibits in the barn in keeping with the basic philosophy of the PDCA, ethics are an individual responsibility of the owner of each animal shown.

Violations of these policies are subject to the disciplinary provisions of the appropriate dairy breed association and/or show management.

HERDSMEN'S CONTEST

All herdsmen in charge of dairy animals entered in the Senior "Open" Show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Thursday, October 24

at noon and will continue until noon Sunday, October 27 at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

HEALTH REGULATIONS

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING FACILITIES

Facilities for milking will be available for exhibitors with lactating cows. Exhibitors are encouraged to use these facilities and avoid milking cattle in open pails in the barn. **Anyone caught adding milk containing antibiotics to the bulk tank will have premiums withheld.** The facility will open Wednesday, October 23, at 6:00 p.m. and will close Monday, October 28, at 8:00 a.m.

FEEDING AND BEDDING

 KA532 - Junior Get-of-Sire - Three animals by the same sire, both sexes represented, need not be owned by the exhibitor. Entries must have been calved on or after September 1, 2001. All animals must have been shown in their respective classes.

KA534 - Premier Breeders Class - Four animals, bred and owned by the exhibitor or member of immediate family, either or both sexes represented. Each animal must have been shown in their respective classes.

KA535 - Premier Exhibitor Class - Will be computed from exhibitor's placement in individual classes only as follows: 3 points for each First; 2 points for each Second; 1 point for each Third. Maximum number of placements used to determine winner shall be limited to 5. (In case of tie, group class placements will be used to determine the winner).

GROUND RULE

In our Standard Show Classification only the Premier Breeders Class specifies "owned by the exhibitor." The other group classes need not be owned by exhibitor, therefore cannot be used to break ties.

To correct the possibility of a tie for Premier Exhibitor Class, where a tie exists through 5 placements, and neither exhibitor has an entry in the Premier Breeder Class, additional placements (beyond the stated 5 limitation) in the individual classes will be used, but only to the point where the tie is broken.

JIMMY SMITH MEMORIAL AWARD

The N.C. Simmental Association will be presenting an award to an outstanding Simmental exhibitor in the Junior Beef Heifer Show in memory of the late Jimmy Smith of Cove City. Jimmy Smith was a strong supporter of the Junior Beef Heifer Show by providing heifers for many urban and rural youth to show, and providing guidance both inside and outside the show ring. A belt buckle will be awarded to a Junior Simmental exhibitor that shows good sportsmanship, leadership and good conduct throughout the Junior Show weekend. Assisting other exhibitors, helping to keep the barn clean and promoting agriculture will be taken into account by the selection committee. This award will be determined by a committee assigned by the N.C. Simmental Association, and will be presented during the Junior Simmental Show.

MILEAGE PAYMENTS

The State Fair Management will pay mileage compensation for animals exhibited in the Junior Heifer Show as outlined here. Payment will be made for each animal

based on the distance (one-way) between the county seat of the county involved and Raleigh. For computing mileage, the official Highway Map issued by the State Department of Transportation will be used. Payments will be made on the basis of \$.20 per animal, per mile.
MILEAGE \$0.20

BEEF SUPER SHOWPERSON AWARD

The objective of the Beef Super Showperson Award is to provide recognition to youth that have developed proper showmanship skills through work with their livestock projects. These skills will be evaluated separately from the quality of the animal shown while the youth exhibit an animal in the Junior Market Steer and Heifer Shows. The showperson judge, a second official, will select the youth solely on their showmanship ability.

Youth are automatically entered into this showmanship competition. Youth must exhibit the animal they entered to be fully eligible for the award. Youth that show for another exhibitor will **NOT** be eligible.

Recipients of the Super Showperson Award will be recognized at the conclusion of each class. A **one time** monetary award of \$25.00 and a Beef Super Showperson pin will be provided by the NC State Fair to each exhibitor honored. Youth may be recognized in more than one class if circumstances merit the award.

Youth to be recognized will not be a set number. No minimum or maximum quotas exist. The showmanship judge will simply recognize all youth that are deserving of the Super Showperson Award.

The Championship classes will be held Saturday, October 13, 2001, immediately following the last class in the Junior Beef Heifer Show.

MILEAGE PAYMENTS

The State Fair Management will pay mileage for animals exhibited in the Junior Market Lamb Show as outlined here. Payment will be made for each animal (limited to 25 per county) based on the distance (one way) between the county seat of the county involved and Raleigh. For computing mileage, the official highway map issued by the State Department of Transportation will be used. Payment will be made on the basis of \$.10 per animal per mile.

MILEAGE \$0.10

SHEEP SUPER SHOWPERSON AWARD

The objective of the Sheep Super Showperson Award is to provide recognition to young people who have developed proper showmanship skills while working on their livestock projects. These skills will be evaluated separately from the quality of the animal shown, and will be judged while the youth exhibits an animal in the Junior Market Lamb or Junior Ewe show. The Judge will select the youth solely on their showmanship ability.

Exhibitors are automatically entered into this showmanship competition.

Exhibitors must be showing animals they entered to be eligible for the award. Youth that show for another exhibitor will not be eligible.

Recipients of the Super Showperson Award will be recognized at the conclusion of each class. A **one time** monetary award of \$25 and a Sheep Super Showperson pin will be provided by the North Carolina State Fair to each exhibitor honored. Youths may be recognized in more than one class if circumstances merit the award.

There will not be a set number of youths recognized. In other words, no minimum or maximum quotas exist. The Judge will simply recognize all youths that are deserving of the Super Showperson Award.

SHOWMANSHIP \$25 (and pin)

JUNIOR SHEPHERD'S CONTEST

Up to five equal awards (\$20) will be presented to the top placing individuals in the Junior Shepherd's Contest. All junior sheep exhibitors are automatically considered to be entrants in this contest designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of the animals on exhibit. The contest will start at 4:00 p.m., October 17, 2002 and will continue through 5:00 p.m., October 19, 2002. Refer to "Herdsmen's Contest" section of the General Rules and Regulations of the Livestock Division. Signs that clearly indicate where the sheep are from and who is exhibiting them are recommended, as are other decorations or educational exhibits that will interest the general public. Using a pen for equipment/feed disqualifies contestants because all pens are intended to have sheep in them.

If a youth has two wethers eligible, please check with the market lamb superintendent for approval for another youth to show the second wether. If the *Grand Champion* or *Reserve Grand Champion* wether is North Carolina Born and Bred, they will automatically win. If not, the other wethers that received the award will then enter the ring and the judge will select a North Carolina Born and Bred wether from that group.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some — but not all — are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject applications received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments—including Department S-1 - Junior Ewe Show.

BE SURE TO FILL IN THE APPLICATION FORM COMPLETELY, ACCURATELY AND LEGIBLY. Give your rural route number, post office box number, or city street address, and zip code and telephone number. Be sure to include Social Security Number or Federal Tax ID Number.

Indicate on the form the total number of animals you will exhibit. Payment of \$2.00 per animal entered must accompany your application. Pen space will be assigned by the Superintendent. Please indicate on entry form if your animals need to be penned adjacent to another exhibitor.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the flock classes, but it is not necessary to name the animals which will make up your flock entry until after the judging of the individual classes. Entries in flock classes must have previously been exhibited in the individual classes.

Substitutions will be accepted for animals within the same class only. Substitution can be made only in the name of the original owner-exhibitor as listed in the entry catalog. No additional entries will be accepted after entries have closed.

All animals over three (3) months of age if entered as purebred must be registered with their breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 2002. Cross bred animals must be entered in the name of the bona fide owner who must be able to show proof of ownership for at least 30 days prior to October 1, 2002. Registered animals for which no registration papers are furnished will be shown as commercial.

NOTE: Fleece class is NOT a "FLOCK" class. Entry fee of \$2.00 will be charged per animal and entry must be listed with usual information on the entry form. Fleece classes are open to yearling rams, ram lambs, ewes and wethers of any age.

List on the application form the registry number, date of birth, sex and number of each animal shown as purebred. Registration papers will be checked prior to the show. Age of purebred ewes may be obtained from registration certificates. Commercial ewes will be mouthed at check in. All junior lambs must have all temporary teeth in place at the time of the show. Commercial yearling ewes which have shed their second pair of temporary teeth will be shown subject to approval of the Superintendent. Superintendent will rule on all other questions regarding age.

ALL SHEEP MUST BE CLEAN AND PROPERLY FITTED TO QUALIFY FOR ENTRY IN THIS SHOW.

No exhibitor may win more than two premium monies in any one class. Each exhibitor will be limited to one entry in each of the group classes. Only one person per sheep is permitted in the show ring except in the exhibition of yearling, fall lambs and group classes.

The Health Regulations of the Veterinary Division of the NC Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department. **All sheep and goats must comply with new USDA Scrapie Eradication Program guidelines 1 888-USDA-TAG.**

Mail entries, make checks for entry fees payable, and address requests for additional application forms and further information to: NC State Fair, 1025 Blue Ridge Blvd., Raleigh, NC 27607. **ENTRY FEE MUST BE SENT WITH ENTRY BLANK.**

2. Exhibitors must be residents of North Carolina and under 19 years of age as of October 23, 2002.

4. Ewes must be owned by the exhibitor at least 60 days before the show date. Ownership of purebred ewes will be verified by registration certificates, a copy of which will be sent with the entry form. Ownership of commercial ewes must be verified by a signed statement from the parent or guardian, to accompany the entry form. Enclose a written statement (signed and dated) that states: "I certify that _____ (name of exhibitor) has owned his/her sheep to be shown at the NC State Fair for at least 60 days prior to the show date." Purebred ewes with no registration papers will be shown as commercial ewes. No substitutions will be allowed and exhibitors cannot switch animals at check in.
5. Exhibitors must have trained and fitted their own entries.
6. All ewes entered in the Junior Ewe Show must be accompanied by an official Health Certificate. (See Health Regulations). **All sheep and goats must comply with new USDA Scrapie Eradication Program guidelines 1 888-USDA-TAG.**

10. Exhibitor is responsible for entering crossbred animals in appropriate wool grade division.

12. Each exhibitor is limited to showing one ewe per class. Entries may be made for no more than two ewes per class.

13. Ewes must be shown as individuals. If a junior exhibitor has more than one ewe per class, the second ewe will be shown by a junior exhibitor approved by the superintendents. A junior exhibitor showing a ewe for another exhibitor will not be eligible for a Super Show Person award.

15. All ewes will be mouthed at check in. Age of purebred ewes will be obtained from registration certificates. All junior lambs must have all temporary teeth in place at the time of the show. 22. SUPER SHOWPERSON AWARD

Junior Ewe (Wool Breeds) Super Showperson Award

The objective of the sheep Super Showperson Award is to provide recognition to youth that have developed proper showmanship skills through work with their livestock projects. These skills will be evaluated separately from the quality of the animal shown while the youth exhibits an animal in the Junior Ewe (Wool Breeds) show. The judge will select the youth(s) solely on their showmanship ability.

Youth are automatically entered into this showmanship competition.

Youth must exhibit the animal they entered to be fully eligible for the award. Youth that show for another exhibitor will NOT be eligible.

Recipients of the Super Showperson Award will be recognized at the conclusion of each class. A one time monetary award of \$25 (in combination if also showing in Jr. Mkt. Lamb and Jr. Ewe Show) and a Super Showperson pin will be provided by the NC State Fair to each exhibitor honored. Youth may be recognized in more than one class if circumstances merit the award. More than one youth may be recognized in each class.

SHOWMANSHIP \$25 (and Pin)

23. North Carolina Born & Bred Awards-Champion and Reserve Champion North Carolina Born & Bred Awards will be given to the highest placing qualified ewes in the junior show. To be considered, a statement of nomination for this award must accompany the entry form and must be signed by the breeder of the ewe.

MILEAGE PAYMENTS

The State Fair Management will pay mileage for animals exhibited in the Junior Ewe Wool Breeds Show as outlined here. Payment will be made for each animal (limited to 25 per county) based on the distance (one way) between the county seat of the county involved and Raleigh. For computing mileage, the official highway map issued by the State Department of Transportation will be used. Payment will be made on the basis of \$.10 per animal per mile.

RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some - but not all - are repeated here for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and zip code - telephone number.

In filling out the form, write "Poultry" or department letter "Q" in the first column headed: "Dept." In the next column headed: "Class no." write the letter "A" if your bird is entered in the "Standard Breed Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a Barred-Plymouth Rock pullet in the Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." **BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE Banded WHEN BROUGHT TO THE FAIR.** Important: **LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.** Space cannot be reserved until receipt of the coop fee, and, remember: The right is reserved to reject entries after all available space is taken. A coop fee of \$2.00 for each bird exhibited must accompany your application form.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. Owners and breeders must maintain a breeding establishment sufficient to raise the birds so exhibited.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners

and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection will be the guide of the judges in awarding premium. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. Basis for protest: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days of admission to the Fair. The test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be eight cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 45 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 45 days and not more than one year before the show.

All chickens and turkeys must be identified with numbered tamper-proof bands. Bands placed on birds tested at the fairground by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture.)

Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.

Out-of-State birds will not be admitted this year.

ENTRIES

MAKE YOUR ENTRIES EARLY. Due to housing restrictions of 518 coops, the right is reserved to reject applications received after all available space is taken.

Be sure to also give the other information requested on the application form, including AGE AND SEX.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

No exhibitor will be permitted to make more than three entries or win more than three premiums in any one class, INCLUDING FUR CLASSES.

FEES

Payment of the following must accompany application for entry:

- B. Any animal which does not display a good condition of health and vigor or is deemed unsuitable for public exhibition may be refused at check-in and for the purpose of judging will be considered "Not Shown" and entry fee forfeited.
- C. The litters in Doe and Litter classes must be 6 to 8 weeks of age.

STATE FAIR FOLK FESTIVAL DEPARTMENT "AA" TOTAL PREMIUMS OFFERED - \$1,455

SUPERINTENDENT:

ANNETTE PULLEY, 1638 Gate #2 Rd., Creedmoor, N.C. 27522
919 528-4564 MAP06_2000@yahoo.com

COMPETITION: Open to all residents of U.S.A.

ENTRIES: All individual and group entries may be made in person or by mail to
FOLK FESTIVAL, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607

ENTRIES CLOSE: September 1, 2002

The Folk Festival was established in 1948 to preserve and promote the music and dance of the North Carolina's early years and to provide wholesome entertainment for visitors to the Fair.

The Festival presents the traditional music and dance of our state as it is performed by amateurs, persons young and old, who have grown up in the rich heritage of our folk arts. Commercial, professional or secretarian performances are not appropriate.

To be eligible for prizes, performers must have proper entry forms post-marked by the closing date listed above. Properly entered contestants will have priority on the limited program time. However, the Fair welcomes impromptu performances by anyone attending the Fair subject to the restraints of time and the nature of the performance. Such persons should apply to the Superintendent in the Festival Tent.

The Fair will provide an experienced string band to accompany performers. Amplified instruments, CD's and tapes are not to be used *except with Prior approval* of the Superintendent. *Check with Superintendent before showtime: about set-up time for instruments and equipment (very limited time available), subject to approval for tapes - be sure tapes are set at exact starting point. Please use our Band if at all possible!

Contestants should register for the Festival for one day only and should be prepared to perform at all performances on that date. Programs will be presented at 10:00 a.m. and 2:00 p.m. each day during the Fair. All entries are expected for both shows on the day of their entry unless a large number of entries require the Superintendent to limit your times of performance.

Winners will be responsible for picking up their trophies at the entry department at the Fair office after they receive notification. Judging takes place at all programs and the decision of the judges is final.

Five factors are considered in scoring Festival performances: Authenticity, Audience Appeal, Appearance, Competency, and Enthusiasm. The perfect score is 100.

Winner will be notified by mail after the Fair closes.

*There will be no "on grounds" parking for Folk Festival participants, so any instruments or equipment must be brought by hand from the parking areas.

About 25 apprentices usually match their skills in the contest, according to the records of the last few years.

The masonry contest dramatizes a program which the State has sponsored through the past five decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workers. At present, approximately 8,000 people are receiving apprenticeship training on the job under the direction of journeymen, supplemented by related classroom instruction.
